

Dear Fellow Musicians,

Thank you for signing up for World Strings Day (WSD) Dec 2023, Marina Square Roof Deck Christmas edition. We are honoured and excited to have you be part of this exciting event and look forward to seeing all of you on the 23rd of December! Without every one of you, it would not be possible to have such a large-scale event of more than a hundred people.

WSD has been organised quarterly by the Global Strings Federation (GSF) and has consistently been one of the most well-received events. Through the unique experience of outdoor public performance with musicians from all backgrounds, we aim to unite musicians of all levels and to promote continuous learning and playing of music.

For every WSD event, we do our best to partner with spectacular locations so that musicians can take in the sights and sounds while playing at these scenic places. For this iteration, we chose to hold WSD at Marina Square Roof Deck so that musicians can enjoy performing Christmas songs against the beautiful backdrop of the Singapore. We believe you will have a wonderful time performing at such an iconic and scenic location in Singapore.

Last but not least, I would like to extend our appreciation to our musical partners - teachers, parents and students, as well as Marina Square and the amazing organising committee for making this event possible. Together, let's keep the spirit of strings alive and unite musicians for the common good!

Musically Yours,
Ming Xi
Founder of Global Strings Federation
